Academy of the Sacred Hearts

Fall River, Massachusetts

Each moment in life waits and beckons to us to come forward and taste. Yes, taste every new experience that life may offer.

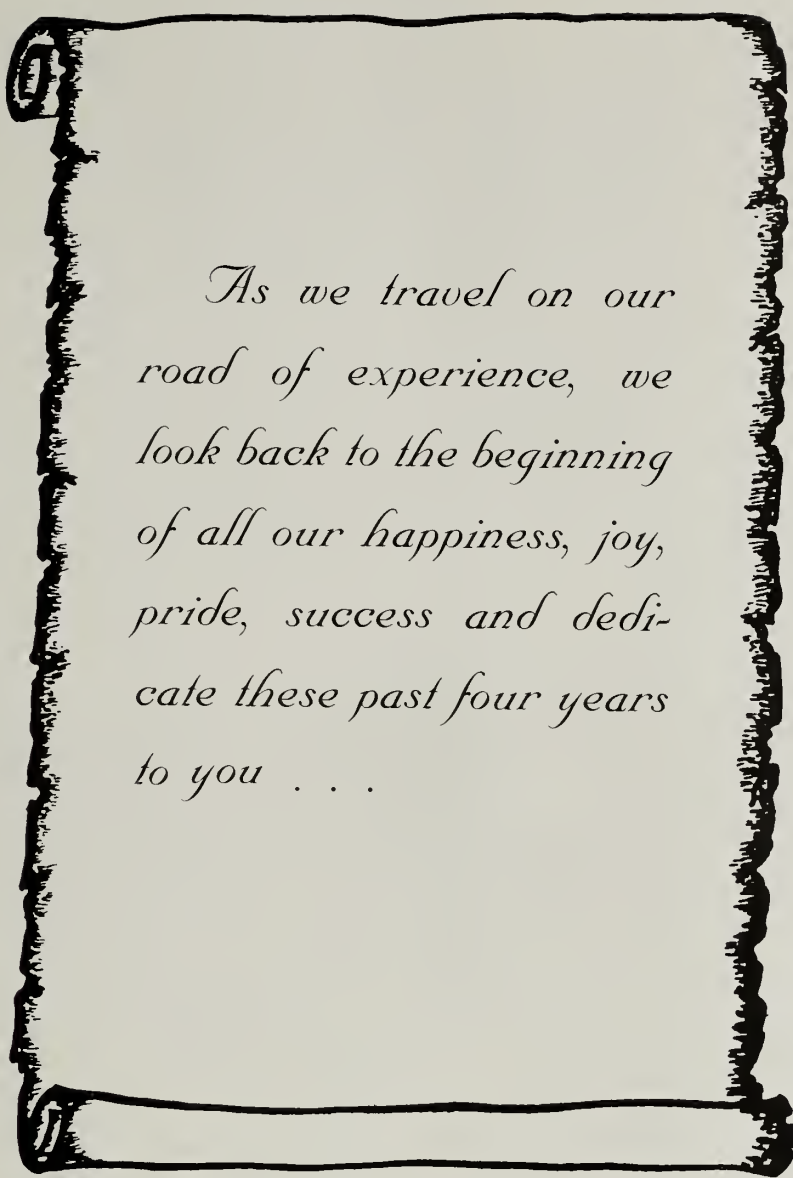

Although life in its essence is short, our experience need not be, for "as time goes on" we may capture these moments and build . . .

grow . . .

live . . .

As Time

Goes on . . .

*As we travel on our
road of experience, we
look back to the beginning
of all our happiness, joy,
pride, success and dedi-
cate these past four years
to you . . .*

MRS. CHEF

She entered,
remained,
left
with the strong aroma of chocolate.

In it she took the
laughs,
smiles,
jokes
That made life an encounter with
"heady" feelings.

The
suffocating aroma,
the tingling sensation
was somehow gone, leaving us barren;
Yes, barren in a world with no time
for the individual,
A world with no fragrance of chocolate.

Yet suddenly an echo from the past,
a voice,
a smile,
a cheery hello
Invade our atmosphere;
A memory drifts and then drops to
remain with us,
To tingle us, like the strong aroma
of chocolate.

They Helped the Pieces Fall in Place.
